My understanding is that we initially dealt with Tom Robertson who then referred us to Simon Were.

We believe that Tom is probably Simon's boss so it could be appropriate to include him but do note that the communication specific to the Pauline Hanson articles between AP and the Command Centre Authority was Simon Were.

Justin's email is -- Justin.hannev@Melbourne.vic.gov.au

Going by that format, Simon's would be Simon.Were@melbourne.vic.gov.au

s 47 E(c) – just wondering if there is any merit to also sending to Tom Robertson (also City of Melbourne) who also is referenced in the email you shared, as being one of our contacts at the Towers? This probably doesn't matter too much – as once Justin receives it, that will get the required response – but thought I'd raise.

Let me know if you need anything else.
